

SKIMMER LID EXTENDER

The Skimmer Lid Extender is a styrofoam extension collar that enables you to temporarily set a round skimmer lid to a desired elevation in preparation of your concrete pour. After the concrete surface has been completed, the Skimmer Lid Extender can be lifted out of position.

DIMENSIONS	PART#
8 5/8" X 6"	MS002
9 1/8" X 6"	MS003
